RESPONSE TO NOTIFICATION OF NON-COMPLIANT APPEAL BRIEF

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

This communication is responsive to the Notification of Non-Compliant Appeal Brief dated October 2, 2007. The first objection was that the Brief does not contain the required headings. The Brief has been thoroughly reviewed and it appears that all required headings are present. Therefore, this objection does not appear to be appropriate and it is respectfully requested to be withdrawn.

Second, it is stated that the Appeal Brief does not contain the status of the claims. While the status is stated, there was no clear statement of the claims being appealed in the section on the Status of Claims. Accordingly, attached herewith as an Appendix is a replacement section III Status of Claims. Therefore, this objection to the Appeal Brief is requested to be withdrawn.

With regard to the Notification of Non-Compliant Appeal Brief, sections VIII and IX, attached herewith are Appendices of the Evidence and Related Proceedings. There is no

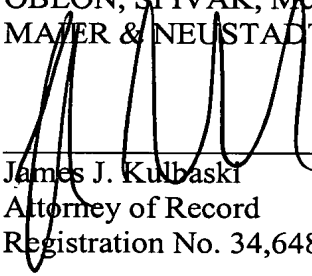

evidence and no related proceedings, and therefore, these additional Appendices submitted herewith are each labeled "Not Applicable."

Finally, in accordance with the Note at the bottom of the Notification of Non-Compliant Appeal Brief, the entire Appeal Brief is not being submitted, but only section III related to the Status of Claims, section VIII related to the Evidence, and section IX related to the Related Proceedings.

Accordingly, acceptance and entry of the Appeal Brief is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
